

Dundalk Chamber Welcomed The Polish Embassy.

Dundalk Chamber hosted another very successful Embassy visit when The Polish Embassy came to Dundalk to meet local companies in order to forge business links.

Mr Jacek Jedruszak, First Counsellor, Head of Trade & Investment Promotion Section of the Polish Embassy visited Dundalk on Wednesday 16th July for a series of one-to-one meetings with various companies from around the North-East.

This is just one in a series of many visits which Dundalk Chamber has organized.

The meetings took place in Oriel Hub in the Finnabair Business Park.

Mr Jedruszak was delighted with the number and variety of contacts and was sure that the visit would enhance trade in both directions. He also stated that a representative from the Polish Embassy would be delighted to visit Dundalk in the future to meet with more companies in the hope of forging business links between Ireland and Poland.

He also thanked the Dundalk Chamber of Commerce for giving him the opportunity to explain the activities of the Commercial Office of the Polish Embassy and the contact he made with local entrepreneurs.

This is just another example of the Chamber creating new links for local companies.

Due to the success of the meetings, Dundalk Chamber will play host to more Embassies in the near future, including The Hungarian and Brazilian Embassy which will be taking place in September and October 2014, details of which can be found on www.dundalk.ie
