

## **Chamber host Eures Webinar for Cross Border Workers and Employers**

**2<sup>nd</sup> September 2020**

Dundalk Chamber of Commerce in association with Eures Cross Border Partnership held a very successful Webinar on Tax Rules for Cross Border workers and Employers on Wednesday 2<sup>nd</sup> September online on zoom. Guest speakers were Rose Tierney of Tierney Tax Consultancy and Orla Rafferty of Rafferty HR.

Eures Cross Border Partnership supports the Cross-Border Worker, Jobseeker and Employer.

The event was a huge success with over 140 delegates in attendance. The speakers covered such topics as redundancy payments, pensions lump sums, tax relief on pension contributions and tax requirements for the cross-border worker. In addition, they covered the implications for employers who employ cross border workers. In her speech Rose covered the implications for employers with staff members who work in both jurisdictions and social insurance benefits and pensions in a cross-border situation. There were questions from the floor and the speakers were experts in their fields.

Sean Farrell President Dundalk Chamber was delighted with the numbers booked in for the webinar and stated that Rose's and Orla's speeches were very detailed and helped to answer some of the queries faced by Cross Border workers and Employers

This is just one of many Eures Cross Border events that Dundalk Chamber of Commerce has hosted in the last few years with more planned for the future.

The EURES Cross Border Partnership is there to support the cross-border worker, jobseeker and employer. EURES Advisers are based all along the border region, north and south, in the Government Employment Services as well as through Chambers of Commerce and Trade Union Bodies.
